Patron of the Arts Program

Fine Arts programs are imperative to the creation of well-rounded students. Through the funds we have raised over the last two years, we have been able to provide wonderful experiences for our students, but we long to do more.

To that, we want to offer you, our community, another way that you can support our program for the coming school year. With our Patron of the Arts program, you will be able to donate directly to the work that we are doing. Your gift will not only support our annual musical, but will also provide funds for choir concerts and other music department functions throughout the year.

We would gladly accept any donation, but we do offer incentives for certain levels of giving.

We can't wait for next year and we hope you can't either! Thank you for your support!
